

From delicious craft beer and food to unparalleled service, Bay City Brewing works hard to make every guest's experience as enjoyable as possible. Built into a beautifully restored historic building in downtown San Diego's East Village district, the Bay City rooftop is the perfect mix of urban and casual.

Guests enter through the street level tasting room and are greeted with rotating craft beer taps. The rooftop has expansive views of Gaslamp and East Village making it a perfect hang-out for locals and tourists alike.
